# Material Safety Data Sheet

Revision Date: 1-June-2016

#### 1. Product and Company Information

| Product Name    | ProteinFind <sup>™</sup> Anti-GAPDH Mouse Monoclonal Antibody |
|-----------------|---|
| Cat. No.        | HC301   |
| Company         | TransGen Biotech Co., Ltd.                                    |
| Technical Phone | +86-400-898-0321  |
| Fax             | +86-10-57815011   |
| E-mail Address  | trans@transgen.com.cn   |

### 2. Hazards Identification

Not hazardous

# 3. Composition

The product contains no substances which at their given concentration, are considered to be hazardous to health. We recommend handling all chemicals with caution.

### 4. First Aid Measures

| General advice     | In the case of accident or if you feel unwell, seek medical advice immediately (show the label where possible).                        |
|--------------------|--|
| Eye contact        | Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician.                   |
| Skin contact       | Wash off immediately with plenty of water for at least 15 minutes.   |
| Inhalation         | Move to fresh air.   |
| Ingestion          | Never give anything by mouth to an unconscious person. If<br>symptoms persist, call a physician. Not an expected route of<br>exposure. |
| Notes to physician | Treat symptomatically.   |

#### 5. Fire-Fighting Measures

Suitable extinguishing media Dry chemical

Special protective equipmentWear self-contained breathing apparatus and<br/>protective suit.

#### 6. Accidental Release Measures

| Personal precautions      | Use personal protective equipment.                    |
|---------------------------|---|
| Methods for cleaning up   | Soak up with inert absorbent material.                |
| Environmental precautions | Prevent further leakage or spillage if safe to do so. |

#### 7. Handling and Storage

| Precautions for safe handling | Avoid contact with skin, eyes and clothing. Handle<br>in accordance with good industrial hygiene and<br>safety practice. |
|-------------------------------|--|
| Conditions for safe storage   | Keep in properly labelled containers   |

#### 8. Exposure Controls/Personal Protection

Exposure limits: We are not aware of any national exposure limit.

#### 9. Physical and Chemical Properties

General Information

Form:LiquidWater solubility:SolubleOthers:No information available.

#### **10.Stability and Reactivity**

| Stability               | Stable under normal conditions                  |  |  |  |  |
|-------------------------|---|--|--|--|--|
| Materials to avoid      | No dangerous reaction known under conditions of |  |  |  |  |
|                         | normal use.                                     |  |  |  |  |
| Hazardous decomposition | no data available                               |  |  |  |  |

# **11.Toxicological Information**

| Acute toxicity                          | Not hazardous                             |
|---|---|
|   |   |
| Principle Routes of Exposure/ Potential |   |
| Health effects                          |   |
| Eyes                                    | May cause eye irritation with susceptible |
|   | persons.                                  |
| Skin                                    | May cause skin irritation in susceptible  |
|   | persons.                                  |
| Inhalation                              | May be harmful by inhalation.             |
| minutation                              | Way be harman by mildidion.               |
| Ingestion                               | May be harmful if swallowed.              |
| ligestion                               | Way be nammu in Swanowed.                 |
| Carainagania affasta                    | No information available.                 |
| Carcinogenic effects                    | No mormation available.                   |
|   |   |
| Mutagenic effects                       | No information available.                 |
|   |   |
| Reproductive toxicity                   | No information available.                 |
|   |   |
| Sensitization                           | No information available.                 |
|   |   |

# **12.Ecological Information**

| Ecotoxicity effects | No information available. |
|---------------------|---------------------------|
| Mobility            | No information available. |
| Biodegradation      | Inherently biodegradable. |
| Bioaccumulation     | Does not bioaccumulate.   |

# **13.Disposal Considerations**

Dispose of in accordance with local regulations.

#### 14. Transport Information

| IATA                 | Not dangerous goods   |
|----------------------|---|
| Proper shipping name | Not classified as dangerous in the meaning of transport regulations |
| Hazard class         | none  |
| Subsidiary Class     | none  |
| Packing group        | none  |
| UN-No                | none  |

#### **15. Regulatory Information**

International Inventories Complies

#### **16. Other Information**

For research use only. Not intended for human or animal diagnostic or therapeutic uses.

The above information was acquired by diligent search and/or investigation and the recommendations are based on prudent application of professional judgment. The information shall not be taken as being all inclusive and is to be used only as a guide. All materials and mixtures may present unknown hazards and should be used with caution. Since the Company cannot control the actual methods, volumes, or conditions of use, the Company shall not be held liable for any damages or losses resulting from the handling or from contact with the product as described herein. THE INFORMATION IN THIS MSDS DOES NOT CONSTITUTE A WARRENTY, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PUPOSE
